

How to: Make calls with Virtual Phone Bank

Virtual Phone Bank (VPB) allows you to participate in a campaign or organization's outreach effort from anywhere. While you make calls you can view information about the people you're calling alongside your script and enter responses as you go.

To begin, you will need two things:

- A phone bank code provided by your organizer
- An **ActionID**, which you can set up using an email address and a password of your choice. Check with your organizer to see if you will receive a login invitation.

If your campaign or organization is using **Daily Access Codes**, you will be prompted to enter one after you login with ActionID.

You can make calls one of two ways:

- Make calls on your mobile device or landline and view the phone bank on a computer or tablet
- Make calls on your mobile device and **view the phone bank on your mobile device at the same time**. VPB is mobile responsive. You can click on a phone number to place a call.

You may also be asked to access the phone bank via:

- A campaign or organization database where a non-open VPB is set up
- **OpenVPB** (<u>openvpb.com</u>), where you will create or log in with an ActionID to make calls.

OpenVPB is compatible with screen readers and can be accessed from a mobile device.

If your campaign or organization is using **Daily Access Codes**, you will be prompted to enter one after you enter the OpenVPB code.

Logging in to OpenVPB

If you're using OpenVPB, go to <u>openvpb.com</u>. If you are not already logged into an ActionID, you will be redirected to log in with an existing ActionID or create one from the login page by selecting **Create account.**

If you have any issues, please contact your organizer. Depending on the OpenVPB setup, contact information may be available at the top of your screen on this page.

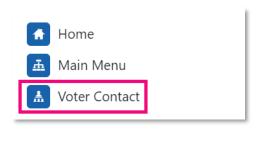

If you have questions about this phone bank, please contact: Yari Zink • (201) 555-3244 • zinky@peopleforgood.org

Logging into Virtual Phone Bank

Login to VAN with your ActionID. If you have access to My Voters and My Campaign, ask your organizer which side of VAN you should phone bank from.

You can begin phone banking with VPB one of two ways:

 Open Voter Contact from the Sidebar. You may see phone banks under Assigned to Me. Otherwise, you can select Join a Phone Bank and enter the access code provided by your organizer.

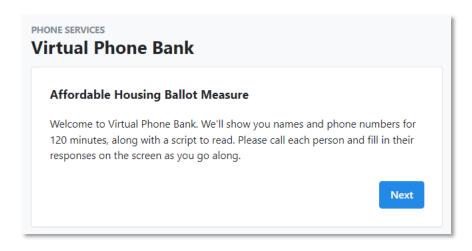

| Phone Banks Create New Join a Phone Bank View All | |
|--|----|
| 2 | |
| Total Calls | |
| Assigned to Me | 1% |
| | |

Open **Virtual Phone Bank** from the Sidebar. Select the phone bank assigned to you or enter the access code provided by your organizer.

You will see a brief summary of how VPB works.

Making calls and entering results

During your call, you will see the name and number of the person you're calling.

If you're using VPB, you may also see a progress bar letting you know either the number of calls you've made against the total number of contacts or against your individual limit, depending on how the phone bank is set up.

| VIRTUAL PHONE BANK Affordable Housing Ballot Measure | | | Schedule For Events | Skip | Save & Next Call |

| ⊖ Moved | | |
| Call Back | | |
| Busy | | |
| Left Message | | |
| O Wrong Number | | |
| Disconnected Ø | | |
| Cancel | | |

Your script is displayed beneath your contact information.

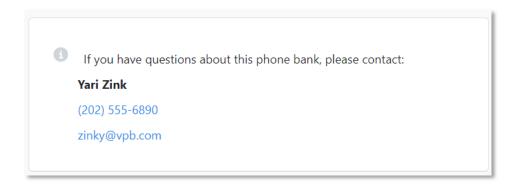

| Script |
|--|
| Hi! My name is I'm volunteering with Left Wins. How are you today? |
| This election cycle there is a ballot initiative to preserve and grow affordable housing. Will you support it? Y $$ |
| Will you sign up to volunteer and bolster support for this ballot measure? Housing Vol |

Once you complete the script (and, if necessary, enter in notes or update information about a contact), select **Save & Next Call**.

In some cases, the campaign or organization you're phone banking for will provide a **Designated Contact** (someone you can call or email should you have questions while making calls). If that information is not available, contact your organizer with questions.

In **VPB**, the Designated Contact information appears to the right of the information for the person you're calling.

In **OpenVPB**, the Designated Contact information appears above the information for the person you're calling.

Households

Some numbers are **shared by multiple people in a single household**. In that case, each person is assigned a tab and you can toggle from one to the other to record responses from each household member.

Calling through alternative numbers

Occasionally, a single person will have multiple numbers.

In **VPB**, the button to try an alternative number is located on the upper right of the screen. Only proceed to the next number if you are unable to reach a contact with the first.

Scheduling people for events in Virtual Phone Bank

When making calls, you may be asking people to attend events.

In **VPB**, the button to **Schedule for Events** is located on the upper right of the screen.

| VIRTUAL PHONE BANK Affordable Housing (Linear) | Schedule For Events | Skip Save & Next Call |
|---|---------------------|-----------------------|
| My Progress | | (13/70) |

In **OpenVPB**, the button to **Schedule for an Event** is located below your script.
